

Statement of Guarantee

We take great pride in the quality of our work and the high level of service we provide. We are not satisfied until you are. We work closely with our suppliers to ensure that we fabricate and install products according to their specifications and warranty standards. We guarantee our work against workmanship or craftsmanship defects for 24 months. During this guarantee period, Precision Surface Industries, LLC will repair or replace at our discretion any defective product due to fabrication or installation error free of charge provided the fault was not caused by misuse or customer abuse, negligence, normal wear and tear, accidental damage, or by any modifications made by the purchaser.
